

Disclaimer for Back-Up Services

This disclaimer releases RIS from any liability relating to loss of data due to non-use of back-up services from Backupnation.com or RIS backup-bundle on a daily basis.

If you choose not to use RIS back up services on a daily basis please be aware that problems may arise that are preventable by making daily back-ups of your data.

Automatic, 30 day incremental back-ups through Backupnation.com are a safety pre-caution if data is lost or damaged for any reason. Back-ups can restore data with minimal loss of data and/or time.

- **I have been advised by RIS to use automatic back-up services or use RIS's self-monitored backup bundle with my system on a daily basis.** _____ Initials
- **I am declining using automatic or self-monitored back-up services and fully understand the consequences and will not hold RIS responsible for problems arising from not using RIS recommended back-ups on a daily basis.** _____ Initials
- **Other Backup service I choose Name:** _____ : or **NONE**
